EXECUTIVE COMMITTEE REPORTS

CHAIRPERSON – Good Morning Area, I'm an addict called Donna. Welcome to the Eugene Area Service Committee meeting for July. First, welcome to the new GSRs and Alternate GSRs. Please raise your hand if you have any questions as we proceed today. We want to make sure everyone understands what's happening here. Last month, we continued our discussion on changes to the area format. You will see on the agenda for this month we are changing the order of things. Several of the suggestions from last month have been considered and incorporated into this agenda. This is only a trial and we'll see how it works today. Please bear with us. Remember, change is inevitable but suffering is optional. Some of you contacted me during this past month to express concerns with behaviors exhibited during area business. I would like to offer my most sincere apology and assure you all I will make a more diligent effort to see business is conducted in the most neutral fashion, in a loving caring and forgiving manner and keeping with our steps, traditions, concepts and Roberts Rules of Order. The theme for this month's meeting is the 5th tradition- Each group has but one primary purpose- to carry the message to the addict who still suffers. It's our job here at the area service level to help groups with that primary purpose. That being said, let's get on with our business. It's a beautiful day outside. Yours in service, Donna P. My phone number is 870-0105 and my email address is donnacya@yahoo.com Please be sure to call me if you have any questions.

H & I – Hello Area, My name is Kevin and I am an addict. At our last H&I Sub-committee meeting we went over the "Do's and Don'ts" from the Hospitals and Institutions Handbook and our continuing our quest to be more effective at carrying the message. We have had one new pass holder for the jail as well as two that were reissued. We would like to encourage any member with two years clean and two years off paper to speak with Diane V. our new Panel coordinator. I have jail applications with me at this time and there is a sign-up sheet on the back counter for those that would like to

get involved in speaking. Group Service Representatives, please remind your groups that members with at least 3 months clean can sign up to observe some of our panels, and if they have at least 6 months they can sign up to speak on our panels after they receive a simple orientation. You can speak with Diane V., Dennis A. or me for more info. We did our first home group requested H&I orientation at the "Together We Can Group" and are excited about doing more.
