SUBCOMMITTEE REPORTS

ACTIVITIES – Good Morning Area. The Activities committee would like to thank everyone who helped make this past year's picnics, dances and other NA social events successful. These events could not happen without your help. The events coordinated through the activities committee help to unify our Area and remind us recovery can be fun. The regularly scheduled Activities subcommittee meeting is the second Sunday of the month, which would be tomorrow, April 8. However, this is also Easter Sunday, so the meeting has been rescheduled to next Sunday, April 15th. In Service, The Activities Committee April 7, 2007

DIRECTORIES –Oral Report by Rep- disc and directory turned in for elected Directories Chair

H & I –My name is Kevin and I am an addict. Election time is upon us and change is in the air. During the last year your H&I Subcommittee has served at your behest and will continue to do so as long as the direction and resources of this Area are provided. When I became H&I chair we were struggling with maintaining the commitments we already had, as well as with burnout of our trusted servants. Since that time we have added five more jail pass holders, three Serbu pass holders, one new presentation at the Willamette Family/Carlton House, and adopted the WSC approved Do's and Don'ts, as well as beginning the process of revising our guidelines. I am happy to report that we are in communication with staff at a women's treatment facility that is interested in hosting an H&I Panel on a bi-weekly basis. On a personal note, I am nominated to be the regional H&I subcommittee vice chair and look forward to serving even more addicts. Thank you for trusting me to the best of your ability, Kevin K.

LITERATURE –Good Morning Area, It has been a pleasure to serve you as Literature Chair. Although the ride has been great, the time has come to turn things over to someone else so they may serve as well. Our literature is one of the most

important tools we have to help us carry the message of recovery in Narcotics Anonymous. Without it where would we be? I feel that the next Chair will serve you well in his role and remember to be patient and help him to help you. I am grateful that I am human and not perfect and that I do not have to know everything and I can make mistake's. Remember it is you that has helped me, with understanding, forgiveness and love. For that I am forever grateful! Yours in Service, Russ **SEE ATTACHED FINANCIAL REPORT**

P.I./HELPLINE –Good Morning, My name is Dee and I am an addict. The Phone Line has been updated. We still need a Phone Line Coordinator but we have a really good Phone Line Carrier right now that is more than willing to carry the phone and states that she enjoys doing it. The Web site has been updated as well; I will be getting with the Web servant after the elections to set up the new links for the new chairpersons to get their email from the web site. We will be starting the PI booth at the Saturday Market next Saturday, Come down and see us we will be in front of the Lane Co. Courthouse. We had new members come to the last PI meeting and that was very exciting. A long time member of PI is stepping down this month he will be missed but after 15 years he thought it was time to move on, he passed the quarterly mailing list and radio PSA's to me. We are going to be discussing creating a new position in PI to handle the PSA's. We have new elections on the 15th of this month and will be doing our quarterly mailings this month as well. I will be attending the PCR PI Learning Day planning meeting today at 1pm located at EWEB and plan to attend Region this month in Salem as well. May I please get the travel allotment and the PI allotment? Thanks so much for letting me be of Service. Dee K. p.s. I just found out at this meeting that we may have to find a new place to meet, we have a solution and a new place if we do.

AD HOC COMMITTEE REPORTS

EASC Bylaws Ad-Hoc Committee: EASC, I am pleased to report that the EASC By-Laws Ad-Hoc Committee has completed our report. We believe that the ByLaws of EASC are functional with some revisions. We have three areas we are addressing: 1- We recommend the attached list of revisions. 2- Between 2003 and 2005 there were two Amendments to the ByLaws which are not in the current ByLaws. (attached) These need to be found in the minutes, verified and added to the ByLaws. 3- We recommend an Area Service Inventory, using the Area Planning Tool in order the address the financial, meetings and other concerns that have been brought forward during the findings of this committee. Yours in Service, Dann L, Cathy K, Gerry M, Mike R, Jeph M
