REGIONAL COMMITTEE MEMBER (RCM) –

Hello Family,

I am sorry I missed last months Area, but was able to take some self care time. I attended the Fall Region Service Conference on October 11 in Grants Pass. It was, gratefully, short and successful.

First, I owe an apology to this area for missing some vital information from the last RSC and the Region Minutes that were sent to me. I voted in a manner that I hope was in keeping with your faith in me. The first item was the nomination of the new Chairperson for the PNW 33 Convention Committee. Up to this point JB has been acting as Ad-Hoc Chair, but was nominated as Committee Chair last quarter. He and his committee have been very busy. I have passed out the bid that the Pacific Cascades Region submitted to the PNW Board of Directors in Tacoma at the PNW Convention October 18-19. This bid was accepted by consensus at the RSC. The vote was taken and passed to accept JB as the PNW 33 Convention Chair and I believe that he will do a great job.

The second item was the matter of a motion that I included in my report, but was unclear on how we were to proceed. We needed to vote on the motion, but I thought the validity of that motion was still in question. That being the case, I voted to approve a budget item change, as follows. To increase the Region Executive Committee travel allotment to \$45 each person per quarter. It was up to this point \$25. As we all know, with gas prices and inflation, \$25 is not much to assist our Executive Committee to travel to the RSC's. The Executive Committee includes the Officers and Sub-Committee Chairs.

On to regular business.... **Reports:**

Chair – She has reviewed our current insurance policy and after careful consideration and review with the insurance agent has concluded that our current policy is adequate to cover all of our needs including our Region events.

Vice Chair – the VC has been making an effort to attend the different Area's and offer his support and assistance to discuss the importance of Region Service and the need of Area Sub-committee Chairs representing their areas at the RSC.

Treasurer – The accounts are balanced and Accruals full. She reviewed the Checking Accounts against our Books and Balanced those. Our last quarter donation to NAWS was \$4,280 and change. Apparently there was a previous quarter(or year) that the allotted \$1,000 donation to NAWS did not get sent on. Our remaining checking balance was \$7,214.70. At the close of business –no money motions were made, allotments were disbursed as requested, bills paid and accruals filled our final over reserve total was \$731. This has been forwarded to NAWS. Please ask around for someone interested in being **Alt Treasurer**.

Secretary – Changes to the July minutes have been noted and recorded.

Alt Secretary – Still no-one

Regional Delegate – the outgoing Regional Delegate did not send a report for the Western Zonal Forum that she attended since the last RSC. However, her financials were turned into the Treasurer. We hope to have a report from her by the January RSC. The current RD reported that NAWS is requesting an update to the World Pool information –you can reach that link on the NAWS website. She will be attending the Worldwide workshop in Oakland, CA on Feb 27-March 1. She is still working on the Term Length Ad-Hoc for the RD, Alt RD positions.

Alt RD – not present – no report

Activities – 8 Areas were represented. The committee is working on guidelines.

Conferences & Conventions - The seed money returned from the July RSC was \$201 short. April H&I / PI Learning days will be held in conjunction with the RSC – Intent is for Coos Bay. The committee has put together a time to review the Convention guidelines, revise and be ready to submit to the Region for approval at the January RSC.

H & I – 9 Areas were represented. 54 commitments @ 21 facilities throughout the Region. Mid-Willamette, Greater Willamette and Tualitan are either without H & I subcommittees or just restarting. So Oregon Area has approved their new guidelines and has been working with the Region PI to plan and prepare for the April Learning Days. A venue has been selected, food and a preliminary program have also been agreed upon. So Oregon is holding a fund raiser to help offset the costs of the Learning Days and is encouraging other areas to do the same. They are using the Western Service Learning Days Guidelines in conjunction with our Region H & I guidelines.

Literature – 3 areas were represented. The discussed programs for tracking inventory as well as sales trends and totals. Are asking the region for direction. They are hoping for input from around the region regarding what the homegroups want the Region Literature committee to accomplish.

Policies & Procedures – Handed out updates to the Region Handbooks – reflect the changes voted on at the last RSC. Technical assistance was offered to help the new Chair get the files digital.

PI – Projects throughout the region doing well and exciting things happening. LBL Area has a new web based phone line/answering service up and running, radio PA's are airing and are putting on a Drug Court presentation. Mid Willamette has booth events coming up and new website guidelines. Rogue Redwood has booths, Drug Court presentations, Distributing literature to local businesses, are sending out mailings to professionals and local schools. Their monthly speaker meeting is now available in MP3 format on their website. All of

the areas are working hard and being successful with ongoing and new projects including New Comer workshops and cooperation with Drug Court.

PNW Ad-Hoc – Submitted the bid for the PNW 33 convention which includes information on location, date, hotel, costs, a pre-convention flyer and a mock registration form.

Area Reports

Coos Bay – Increase in meeting attendance with the colder meeting. “The coffee is hot and under the bridge is not”. Have 10 weekly meetings. Elections were held and all positions filled. Planning marathon meetings for Thanksgiving and Christmas.

Central Oregon-High Desert – There will be new RCM at our next RSC, as they will be holding elections. Thanks for letting him serve. 14 active groups and 31 mtgs. They have several Ad-hoc committees for looking into several projects – ASC Bylaws, getting a storage unit for the area, special needs funds, and the formation of a PR committee.

Greater Willamette - 14 groups, \$100 donation. New H & I subcommittee is meeting 1st Sunday of the month, holding re-orientation. They are supporting the Metro area and working together on new bylaws.

LBL – New phone line service is doing very well, they are stocking the new basic texts and getting their PA's on the air. \$50 donation and 18 groups holding 24 meetings.

Mid-Willamette – 18 mtgs, 24 commitments, \$100 donation and a lost & found check \$20. the area voted back in an H & I subcommittee and will hopefully have a fully operational Subcommittee by the end of the month. They are working on getting insurance for their area.

Portland – The area is held an inventory workshop to brainstorm solutions of the issues identified through the inventory process. Revising their by-laws. \$1290 donation. They are struggling with low GSR attendance at area and hoping to change the atmosphere at ASC.25 groups with 134 meetings.

Rogue Redwood – 14 groups and 25 meetings, All positions are filled. They have a shortage of women available for the women's facilities.

So Oregon – New RCM & Alt RCM – both present. 32 weekly mtgs. Dances and Unity events coming up.

Tualitan Valley – All subcommittees doing well, they have a new H & I subcommittee and their Activities Subcommittee is restructuring and re-writing the guidelines.

Umpqua – 16 groups and 24 mtgs. Elections held and all positions filled except a Policies and Procedures Chair.

Old Business

As previously reported the PNW Chair was elected.

Liz previously an RCM was nominated and elected as Interim Secretary.

Darla C was nominated and elected as Interim Archivist.

Motion #3 –as previously reported was passed 9-0-2

New Business

Motion #1 – PNW 33 Committee Chair to present bid to the PNW Board at the PNW in Tacoma. Passed 11-0-0

For the Good of the Fellowship

With the approval of the 6th edition of the Basic Text, the 5th addition will no longer be approved literature for use in Meetings. Obviously this needs to take into account which parts of the book are being used as they relate to what changed in the Basic Text from the 5th to the 6th Editions.

A Regional inventory was suggested and discussed. Is our current outline and agenda for our RSC working? And what other procedures need to be reviewed and revised? At the next RSC a suggested course of action will be discussed in relation to using the Area Planning Tool.

Merchandise splits. There has been much discussion in the Activities Sub-committee regarding the return and resulting split of left over Region merchandise. Currently the guidelines state that only Area Subcommittee Chairs that are present at the time of the split receive merchandise. The Region Activities Subcommittee is working on revising and updating their guidelines. However, in the absence of those revisions the subcommittee took a consensus and decided to divide the merchandise as per the current guidelines with the following exceptions, for those areas not in attendance –the RCM's that are present will be given the merchandise for their areas. Any areas not present after that –the merchandise will be held for one more RSC – then disbursement of the left over merchandise will be voted on by the Region Activities Subcommittee present that day.

It was suggested –due to the recent difficulty in finding facilities to host the RSC and Assemblies that the Conferences and Conventions committee start compiling a list of all venues in the region with their attending prices and availabilities – to make it easier for the hosting

areas to secure appropriate facilities.

January RSC & Assembly

The committee met and we were successful in organizing an agenda, confirming participation by our Regional Delegate for two of the three workshops to be held that Saturday. We are awaiting confirmation on a spaghetti feed fundraiser hosted by the PCRCNA XVI for that Saturday night and have confirmed a Family Game night for after the Speaker Meeting. We are looking for volunteers for registration, set-up and clean-up, and speakers for our workshops. We have found a location – the Emerald Park/River Road Recreation Center to host the two day event. The total cost for both days is \$760. I will be submitting a request to our area to cover the \$160 additional cost until it can be returned by the committee after the event, as we only receive \$600 in seed money from Region. Upon approval by the committee, I will suggest that funds be returned by the following priority: Out of pocket expenses for coffee and snacks, funds returned to Lane County Area for re-imburement of funds requested and then seed money to Pacific Cascade Region. Our goal is to break even and pay all of these funds back to the appropriate parties. The more participation we get from our area and the more encouragement we give to other areas to participate the more successful this event will be. Our area has asked for more information on Service and what it is and how it works for us – These workshops will go long way towards answering those questions – we need to encourage everyone to participate – not just GSR's. GSR's need to ask their alternates and members interested in becoming GSR's to attend. Sponsors need to encourage their sponsees to come WITH them not just tell them to go and not participate as well. We will also be asking for speaker volunteers from the other areas to increase participation from the other areas. We are taking suggestions. The next committee meeting is to be held November 13th, Thursday night at 6pm at Gina H's home, 860 Arcadia Drive. Please see me after Area for directions and more information. Sign up sheets have been passed out – please return them to the committee at the December ASC.

In Love and Service

RCM Lane County Area NA

ALT REGIONAL COMMITTEE MEMBER (ALT RCM) – Position Vacant

PCRCNA- LeeAnn B was voted in as the new secretary and the committed is, looking for an alternate secretary. We have \$1448.77 in our account. January 17th we will be having a spaghetti feed at the GSR assembly, and that will be at Emerald Park recreation Center. The main speakers for the convention have been chosen. They are Gina B from NY, Gil L from Colorado, and Gary B from Florida. The dinner and auction at Clyde H and Kathy K's house brought in 640 dollars. We need volunteers for the marathon meetings, so what we are asking is that the GSRs take this back to their home groups and try to get a volunteer from each group. HP Audio will be doing all the taping at the convention at no cost. In Service, Kevin D.
