We had an issue this last month with the Salvation Army and the children we have at our meeting. They are requiring that parents be responsible for their children and keep them by their side during the meeting. They have offered us the back room, as long as there are two adults with the children at all times. We have started to announce that is available and Home Group members have offered to take shifts so that newcomers with children can hear the message. the Salvation Army is also requiring that we, the Home Group members watch their video on child safety in their facilities. We have told them we will set up a time to do that in January with them. They have also requested a current copy of the Area's Liability insurance cover sheet. We request a copy at this time.
