EXECUTIVE COMMITTEE REPORTS

CHAIRPERSON – No Report

VICE-CHAIR – Good morning everyone, My name is Kevin and I am an addict. Vern our Chair is unable to attend so I will be facilitating the Service meeting today. I am asking our RCM Bob to assist with this task in counting votes and helping resolve any conflicts as well as to act as a parliamentarian if a need arises. Today we have a few items that need to be dealt with in old business. Election of an interim activities chair, review of the literature chairperson/subcommittee chair position requirements and an area conscious on the new information Sandy will be bringing to you. A report from Heather about our bylaws updating process. During this last month we had an executive committee meeting at Jamie's house and I would like to thank her for opening her home. We talked about our vision for our area as well as projects in the works. Mostly this was an opportunity to get to know one another and we left as a team. I attended the literature committee meeting and am acting as the point of financial accountability for the checking account; we should resolve this during old business. It appears we have strong support for this committee and I look forward to what will come from their teamwork. I attended PI and there is a lot to do. This committee needs NA members to go through a simple orientation process so that we can have volunteers available to sit at the booth for a shift during various community events in our area to help raise awareness of our fellowship's unique ability to provide addict to addict support to those who may be experiencing problems with drug addiction. I hope that we can see more involvement so that we can more effectively carry the NA message of recovery. I attended a portion of the H&I/PI learning day in Medford and received some valuable insight into how to be more effective servants. I attended a portion of the Regional H&I subcommittee meeting and it looks as though it is functioning better this quarter than I was told it did in the past. Regional service committees are first and foremost a resource to the areas they serve and I would like to see all of our subcommittees represented by members of those committees who are going to have a clearer idea of their subcommittee's needs and concerns. During the RSC business meeting I asked James our Alt RCM to come hang out for the morning with me in Medford and he let the RCM know what he was doing. I need to make it clear to the body that while it was not my intention to disrupt the process, it is quite apparent that my actions did. I have talked with my sponsor and written about this incident and believe the best way to make amends is to assist James in learning the expectations of him in service and to show him that even sponsors can act out in self will at times and that the Steps are the process that we use to gain understanding of our defects, own our part, and that make the changes necessary to align us with our spiritual path. We will take a few minutes prior to old business to review some of our service literature so we can better serve those who honor us with their trust. If you have any items that you think need discussion please place them on the agenda sheet being passed around. In humble service, Kevin K.

SUBCOMMITTEE REPORTS

ACTIVITIES – Hello Lane County Area, I am David K and I am an addict. First of all I would like to be voted into the interim chair position of your activities committee. I have spoken to Kristen E. and she no longer wishes to be the chair at activities level. I have currently held the vice chair position now for about nine months or so. DIRECTORIES –Verbal Report

H & I – Good Morning Area. My name is LeeAnn and I'm an addict. Region went well! I asked a lot of questions! Holly and Patrick the Chair and Vice Chair were very helpful in what directions I should be focusing in. I was wanting to help H&I look more appealing to our recovery community. I'm feeling like our purpose is getting lost in the mix and our "fire" is fading. I feel extremely passionate about H&I and wish for others who feel the same way to please support our area's H&I. We are in the process of making shirts. Jail badges are not being given out right now. I need to follow up with this issue. Shelter Care has not contacted me and I will contact them. LeeAnn B

LITERATURE – Good Morning Area, I have received the inventory and with help counting it I have an inventory totaling \$3056.89. Added to that there was some extra inventory found in storage in the amount of \$78.55. IU have also received the order that was made for this month from World in the amount of \$1137.10. I have not yet received the financial report for the ending year so there will be no financial report until next month. I have found out I am unable to sign on the bank account, I brought this to the executive committee that I attended last month. However I have a solution, I have formed a committee that includes two people that will be able to sign on this account. I have a vice chair, Matt H., a treasurer, Gayle D., and am in the process of finding a secretary, which Matt H. has agreed to take control of until we fill the position. We held a literature committee meeting at my house, and all went well, wit ha lot of ideas and plans for the future. Our vice chair attended regional in April, expressing our gratitude and plans for the literature committee to fulfill our responsibilities to our area. I would like to express my gratitude for the recovering addicts that have stepped up to give their support and extra help where needed. Thank you for giving me this opportunity to be your literature chair. Sincerely, Sandy H.

P.R./HELPLINE - Greetings! I'd like to start by saying that I'm honored and excited to be given the opportunity to Chair PI in the Lane Co. Area! Although we are small in numbers, we have a great group committed to furthering our primary purpose. That being said, we have several open positions currently on PI. We are in need of both a Vice Chair and Booth Coordinator and could also use a few extra committee members to help with several new projects we will be working on over the next year.

I was able to attend both Learning Day and Region last month. We were fortunate to have NAWS members there to do a workshop related to effective presentations for PR and H&I, as well as, some of our differences and strengths within our community. One other take away from the weekend was a potential joint event hosted by our H&I and PI committees...more on this to come!

Most pressing right now is the Booth Coordinator position, given the return of the sun; the clean time requirement for this position is 1 year. I do have a couple of volunteers willing to sit in the booth once we decide on the frequency we will be at Saturday Market, however we really need help in this area.

We are continuing to evaluate the options to improve our Helpline. Currently, we are looking at the cost effectiveness of using a virtual PBX system. This would not only allow for calls to be forwarded directly to a volunteer's personal phone, but provide up to 10 mailboxes/extensions for meeting schedules, sub-committees, events, etc. Several other areas throughout California, as well as other states, are currently using the company we are evaluating. Given that they have worked with many other NA Helplines, there is a basic format available. Our current cost for our Helpline is approximately \$110 per month; the estimated cost for a virtual PBX system is approximately \$40. We potentially could save several hundred dollars annually. Currently, we have a single physical phone carried by, literally, the same one or two volunteers; a virtual PBX system would allow for more ease of volunteer participation with direct call forwarding. I hope to have a complete cost comparison, with all the plan details next month. If anyone is interested in evaluating the systems currently in use by other areas, see me after the meeting for a list of their Helpline numbers.

I would also like to ask that this Area consider allowing PI to become more in line with World Services by starting the process of changing our Sub-committee name to Public Relations. This does not mean jumping into an umbrella structure, combining our sub-committees as one. It simple means we have made a conscious decision to validate the World Services vision statement, "to work

together in a spirit of unity and cooperation to carry our message of recovery” and, from the PR Handbook:

“For our purposes in Narcotics Anonymous, the term “public relations” refers to all of the relationships we create and maintain with the general public, professionals, potential members, and each other in our groups and service communities. We have been establishing relationships with the public all along, whether we have made a choice to be aware of and participate in those relationships or not. It is time to look more closely at how we relate to the rest of society as well as to fellow members. It is time to gather our collective experience, and improve our service efforts so NA can continue to become a more reliable and recognizable program of recovery.” (CH 2 pg. 3, PR Handbook)

With that statement in mind, this committee will also actively begin working on starting a Newcomer Workshop in this area. This concept allows for basic information about NA to be presented in a format that allows for questions and active participation by the newcomer or any other interested person. If anyone would like to be a part of this project, see me after the meeting.

Also with that statement in mind, I believe that as Sub-committees serving this area, we have a responsibility to be consistent and accountable to our members, whether this means adhering to our guidelines, producing inventories or showing up for meetings and events at the time they are posted. If meetings or event times and/or locations change once announced or posted, a member or flyer to should be at the original location to direct those interested in participating and/or attending.

I realize this has been a somewhat lengthy report, but there is a lot on the primary purpose table at the moment.

Grateful to be of Service! Gina H. (650)218-9448 cell (541)844-1394 home Ginah91395@comcast.net

GOOD OF THE ORDER:

- Rogue River Area is hosting a rafting trip.
- There is a new meeting at 5 pm on Sunday night, called “Top of the World”, it meets in the parking lot of Spencers Butte (not Skinners Butte!) and hikes to the top and has a meeting. This is a 1.08 mile moderate to difficult hike to the top. Wear appropriate shoes and bring water! This is a fair weather meeting, it is cancelled if it’s raining. Parking lot to meet in is not the one near 52nd street, keep going on Willamette St till you see the Spencer Butte Park sign. Parking lot is hidden behind some trees.
- The Women’s Retreat will provide refreshments next month (I think? My notes are a little unclear-Heather) and earned \$70 for newcomer packages today.
- There is a Sponsor/Sponsee breakfast at the Hilyard Center on May 16th.

NEXT AREA SERVICE MEETING WILL BE SATURDAY JUNE 6, 2009 AT 10:00 AM -- HILYARD COMMUNITY CENTER
(2580 HILYARD ST., EUGENE)
