EXECUTIVE COMMITTEE REPORTS

CHAIRPERSON – Good Morning Lane County Area, I want to begin by extending a great appreciation for this Area and the service that everyone provides. The level of participation shows a direct reflection of the love, compassion and concern that goes into “our primary purpose”, “carrying the message to the addict who still suffers”. I am proud to be a trusted servant to this area and feel blessed that I am trusted by this body. Thank you. In addition I want to give a big warm THANK YOU, to you all for being honest, open minded and willing to allow change to occur with the cancellation of last months service meeting. I wholly understand that we all have lives and in large part we try to plan out our recovery, our lives and other commitments around time and structure. I hope that the change last month was not a great inconvenience on you as individually or your groups as a whole. Our Traditions remind us of this on a regular basis. Not everything will go as planned, even if we are being as aware as we can be. My part in the change of last month’s area meeting was directly due to my loss of remembering to look at a simple piece of this. The calendar. Again, thank you for your understanding. My own learning curve continues.

To touch on the Executive Committee’s own learning curve. We are doing just that...LEARNING! There have been some changes in positions on this committee that we are working through. First of all, Kevin K., Vice Chair, has resigned from this position effective on 7/23/09. Kevin stated that he has a great deal of personal life happening that is taking his energy and focus away from this service position. As a responsible, productive member of society and NA he felt it best to remove himself so that he can focus on his life and recovery. We wish him well. So this leaves an interim position as Vice Chair open as of now. Another position that has been given some challenge this month is our Treasurer. Don has stepped in to take on this role while Jamie is living her dreams and experiencing the world in recovery. Don is willing to take direction and ask for help from this committee. We thank him for stepping up in this position. Jamie will return this month and will be in attendance for September’s meeting. I also want to thank our Literature Committee for stepping up and also allowing change to be a part of their own learning curve. GREAT JOB. And last but certainly not least, A THANK YOU to Heather S. F. our secretary for all the work she put into the sea of e-mails leading up to the cancellation of the July meeting. Your patience

and tolerance to your committee shows a great deal about your own character and it is appreciated. Our committee is back on the same page around needs of the area and issues that arise. We are communicating better and willing to place principles before personalities when it comes to our service commitments. This is important when it comes to any service work. In closing, our bills are getting paid, we (our area) are being responsible to the best of our ability in all of our affairs, the message of NA is alive and well and we remain teachable and accountable to GOD, ourselves and to you...the groups. Thank you for showing up and being a part of this gift called RECOVERY! In loving, humble service, Vern R.

VICE-CHAIR – Position Unfilled

SECRETARY – Verbal Report Summation: I am having trouble getting the By-Laws together, though all the material is there. When sitting down to do it I realize it is more of a task than I had anticipated. Greg I. is helping me!! We are going to put in a motion for 500\$ to pay for the expected printing costs and the cost of new binders for the approximately 75 new copies of the By Laws we will have to print out. Each group, executive committee member and committee chair will receive one copy. Additional new copies will be available through literature for a small cost.

ALT. SECRETARY – No Report

TREASURER –. Good morning AREA, First I want to apologize for any impositions my absence may have caused. I made the decision to prolong my stay in Mexico because I had the opportunity and felt that was what I needed to do. I feel indebted to all those who are stepping up in my absence to help things run smoothly. I know I'll owe some people BIG when I get home. But I know Don will do great job. Getting into business...

There was no July meeting which means we received no income from the groups. We paid our regular bills, storage locker, regional travel for the RCM, regional travel for subcommittee chairs, and our regional donation. It was a big month for bills. I have no report for July but will send them both this month. With everything paid for July and August we are starting with a negative \$1350.25. *This is after everything is paid for both months excluding any money motions.* Hopefully our income will be twice as much to account for two months of donations.

If anyone has any questions for me please feel free to email me at sogge12@yahoo.com. I will be home on the 12th of August but only for a couple days before I leave for the World Convention, so email is probably the best way to get a hold of me.

Again thank you so much for making this opportunity possible for me. Yours in service, Jamie

ALT. TREASURER – Last months bills are paid, this month is in the process of being paid.

REGIONAL COMMITTEE MEMBER (RCM) – Good morning area I would like to thank the Coos Bay area for hosting the regionale assembly and RSC. The assembly had low attendance but was very well put together. We had a great time at the beach meeting that night with a great bomb fire. The afternoon meeting was based around representing Narcotics Anonymous in meeting and outside of meetings. There was a lot to ask and talk about to protect our primary purpose, and our self's at the same time.

We started the RSC meeting Sunday with only two areas absent.

The chair and vice chair were in line to receive our regional inventory. I was able to go through the inventories that this body turned in and compile it to one as was asked last quarter.

Cathy K. did call WNI Region regarding the PNW history project; this is the committee wanting to write a book about the Pacific Northwest region before the split. She found out this committee has no guidelines and the region hasn't found a resolution to who gets books when they are printed and where the money goes, we asked to wait till they get guidelines together, at that time we will revisit the project.

RD let us know of an event they were going to this last weekend. And some facts about World service there is 113 delegates seated at world and over 7 million hits on the world web site.

Most of the committees are doing well, the activities committee still needs a chair person, there is a vice chair, at this time they did hand out the new guidelines, and they did talk about the trouble in other areas with events and attendance at then.

The archivist now is able to pull up the last 15 years of our region off of one thumb drive.

The C&C committee had a full meeting the next two years were almost filled for the RSC assemblies. And the PCRCNA#17 has intent for 2011 from the Rouge Redwood area (Grants Pass). The convention could be May 14th to the 17th 2011.

The next RSC is a one day event at the Rouge Redwood area; I have flyers that I handed out, to take back to your groups.

This is the line up for the next year for C&C

October 17th 2009 Rouge Redwood one day event

January 16th 2010 Roseburg two day event

February 20th 2010 Portland will be for the CAR

April 2010 LBLA In it will be in Newport

July 2010 Coos Bay area or COHDA

October 2010 is open. I would like to ask this area to host. This will be coming up later today.

PI

Has been working on several new projects with H&I to go in to Coffee Creek corrections and looking at Sheridan correction as well. The booth is put together and ready for use.

The committee has set forth new guidelines for the Learning days at the April RSC to become a yearly event that is to be held at the Spring RSC. More was covered in new business.

The areas had brought a few thing o the table; COHD has come to resolve some issues. The talk of metro was a large topic and seams to be going to the way side with Portland areas and mid willamitte area.

Old business:

Elections, where this quarter, with out being able to be at the last area we had to sustain from most of the elections, I was able to vote for interim elections. The new regional officers are as follows: Chair, Cathy K. Vice Chair, Mike R. Treasure, Joann k. Secretary, Darla C. Regional Delegate Tauni M. Alt RD Lisa H. C&C Ed H&I Holly C. PI Rusty C.

Open positions as regional officers: Alt Treasurer Alt Secretary Archivist Activities Additional Needs Literature Policies and Procedures. These open positions will need filled; some of the seat will need to be trained to fulfill the out going next year.

If you or you know of some one that could fulfill the commitment we meet again in October.

The last piece of old Business was the history project and it was put back on hold for next time we meet. Do to the lack of Guidelines in the committee.

New business:

Motion #2 is one we need to take back to our groups so please lesson up. This is a by-law Change

Motion submitted by PI Chair Rusty C

Motion read, to change By-Law Article X Section 2 that reads The Regional Assembly shall be held (2) times per year in conjunction With the winter and Summer RSC.

The PI committee would like it to have it read. The Regional assembly shall be held (2) times a year in conjunction with the winter and summer RSC with Learning days to be help in conjunction with the Spring RSC.

With this there is a \$250.00 impact on the region annually.

The key here is there will need to be several Guideline changes in PI and C&C. that will follow if this does pass.

PI will need to have guidelines for the facilitator and C&C will need to incorporate the guidelines for assemblies in the spring RSC, this was in a motion as well but tabled tell the other motion was passed.

To recap the Region is asking to change the By-laws to incorporate Learning Days to the spring (April) RSC.

To review the region by-laws go to www.pcrna.org click on Regional Services, there you'll find the hand book there.

Please take back to your groups to vote on.

That's about it for me I may have missed something due to my great note taking, so more to come next month.

I would like to ask this body if we could host the October 2010 one day RSC. It will October 16th and I have started to locate a suitable location. E- Web is one and more research to find some more. This opens the door to have fundraiser that night and other functions through out the day.

I have called to locale Motels and haven't heard back at this time, we can also setup billeting. This will depend on where the RSC is at.

I will put in a motion regarding this event in new business.

Upcoming events in our region:

August 6th to 9th 14th Annual Whistlers Bend Camp out hosted by Umpqua valley area

August 6th to 9th 5th Annual Outlaws in the woods Men's retreat in Klamath Falls, hosted by Rouge redwood area

August 28th to 30th Willow lake Campout hosted by SOANA

August 28th to 30th keep the fire Burning Campout Sorry I am not sure where this is

I would like to thank the fellowship of Narcotics Anonymous for the wonderful support to me and my wife during my medical issue and recovery of the condition. All the love and prayers really help us. Having been a part of this wonderful fellowship and being apart of it has made this rough time helped me do what's right and lesion to the suggestions. And be a better person on the other side. Thank you, your support has really helped. In loving service Bob V

Sales this month were low, but will know this month will be better due to all the orders we have filled and have here to deliver. My vice chair Matt H. attended region and we summated our quarterly report and all went well. I would like to thank all the GSR's in our area for understanding and cooperating with the orders that needed to be filled in July. Working together helps me believe that we are here to help the fellowship and the newcomers. I would like to remind everyone that if there is anything you need us to order that is not on our literature order form to please let us know a month in advance so we can have it for you the following area. Also, please have all orders called in or emailed the Tuesday before Area. It also helps if you give me your phone number so if there is any questions I can call you back. Thank you for allowing me to be of service, Sandy H. Literature Chair.

Also, Literature submitted a quarterly budget report, as per area guidelines, and this is available for groups if they wish to see it.

P.R./HELPLINE - LCASC Public Relations Sub-committee Chair Report – August 2009

Greetings! First, let me announce that PR is grateful to have Dennis A. as their new Vice Chair! We are still in great need of a Booth Coordinator; the clean time requirement is 2 years for this position.

Speaking of the booth...we were able to have the booth up and running at Saturday Market the 3rd Sat. of July...thank you to all those that have volunteered their services. By the way, stop by the PR Booth and say hello or find out new information about PR at Unity Day Aug. 22. As I mentioned in my June report, we will be participating in the Eugene Celebration; booth fees for this event have already been submitted. We have been invited to have our PR Booth at the Willamette Family Treatment Center Recovery Celebration event on Sunday, September 20 in Alton Baker Park; this event will be a great opportunity to participate in our recovery community. We may also be participating in a "Stand Down" event...more on this to come.

We have not yet been able to get our quarterly mailings out; this is due to our pending order of literature and specialty PR materials. I'll be picking up the majority of the required materials today; however, we are still waiting on the specialty items. Hopefully, we will have the mailings complete by the next ASC.

I attended the PCRNA Regional PI/PR Subcommittee meeting last month. One of the main objectives this month was to approve guidelines for PCRNA Learning Day events. Also, I was reimbursed for the \$50.25 that was put toward literature at the convention in Florence.

Dennis A. is continuing to work on getting Narcotics Anonymous PSA's out into the community...after some research, we may need to record our own spots.....the process continues.

Just a quick reminder....if you have digital copies of event flyers....get the appropriate approval and send them to PR for posting on our Area and Regional event calendars!

On a more serious note and one that is close to my heart, from our 4th Tradition, page 155 of It Works, How and Why:

"It's also important to consider how we're viewed by society. When NA meetings first began in many places, it was illegal for addicts to meet under any circumstances. Even where meetings are legal, the public often views groups of addicts with alarm. Until NA has established a good public reputation, it may be difficult for addicts to find meeting places. If our behavior as NA members is still destructive and selfish, we will once again have difficulty meeting openly. We help protect our reputation as a fellowship when we use our meeting facilities with respect, keeping them clean and in good repair. We should take care to act like good neighbors, conducting ourselves respectfully...If the public reputation of Narcotics Anonymous is somehow impaired, addicts may die".

This means that whether you are a subcommittee member, chairperson or an individual member, you and your actions are the face of NA. The public does not see the individual who may be acting out, they see all of NA. It is up to all of us to lead by example. I received several phone calls from concerned members regarding actions and behaviors unflattering, to say the least, and reflecting poorly on NA as a whole during a large NA event. For many of us, NA has been the last stop on the block; it has been the only place we have been able to find the ability to stop using and to have love and support from so many. Please, keep in mind that if you are attending a NA event, your actions speak for all of us.

Grateful to be of Service! Gina H. (650)218-9448 cell (541)844-1394 home Ginah91395@comcast.net

GOOD OF THE ORDER:

- Alternate Secretary Jerediah H. resigns due to home group responsibilities and life stuff.
- How does the fellowship feel about Loon Lake as the place for Camp Recovery? Yay or Nay? Other places are more expensive, so costs would go up. But perhaps cost isn't the only issue to consider. Please discuss.
