I would like to take this time and thank you for being here today, the summer time it a pond us. We have handed out the revised 2010 Budget and made adjustments to fit. Thank you to all involved in helping with the budget.

We met this last week and discussed the agenda and other issue we have in our area, the Budget was the main item we wanted to present this month. The time to present the 2011 budget is approaching soon, and we have set forth the new budget, and will be ready in the next three months We also discussed what we are here to do as a committee and how important it is that we all come together for NA as a whole to support the program. Thank you for allowing me to be of service.

If you need to reach me thru out the month please feel free to contact me, 541-543-5625 or [bvna99@msn.com](mailto:bvna99@msn.com) Thank you again for allowing me to be of service

**LITERATURE** Good morning Area. My name is Matt and I am an addict. It's been a busy month for us. We placed our first online order which went smoothly and received our literature in exactly one week . This is two to three weeks faster than how we had done things in the past. We also conducted our quarterly inventory which I will be submitting for review along with this month's financial statement. I will be attending region next week to represent the Lane County Area. A new I.P. will be out soon. It is called "Money Matters: Self-Support in N.A." It is to raise the awareness and

understanding of each member's personal role in supporting N.A. services and how that enriches one's recovery. The Literature Committee is also submitting a \$ 25.00 donation this month. Last but not least I would like to thank Gayle R. the committee's treasurer for all her hard work and patience with me who is unavailable to attend due to work obligations. Your 's in service, Matt H.

**P.R./HELPLINE** – Greetings from PR! The Newcomer Workshop event on June 17 had a very disappointing turn out; however, we were able to make a connection with someone from Looking Glass who is, not only interested in a professionals Presentation in the future, but also having the Newcomer Workshop presented to clients at their facility....we hope to have more on that to come. It was quite humbling, not having a great turn out....we did learn from the experience though...The next time we invite professionals, we'll be including a RSVP and will make reminder calls. We also concluded that we should separate the Professionals Presentation and Newcomer Workshop in to separate events. We also aren't giving up on the concept of the Newcomer Workshop. As a matter of fact, look for flyers sometime in August for the "Welcome to NA Workshop"....same concept, but a name that might encourage anyone early in recovery or anyone that may have questions about NA to check us out. We're currently negotiating for a space at the new Sponsor's building...still not sure on the night though. PR is in need of a meeting location...anyone with any site suggestions, please let us know. We continue to be in search of new secretary...the clean time requirement is 1 year. Because we have no Booth Coordinator, we will not be participating in the Eugene Celebration or other events this year. Hopefully, next year we'll be able to provide this service to the community. The Helpline will be holding an Orientation on August 1. Please contact Nick P. for details...his number is located on the meeting schedule. We have begun working on the Web Site Guideline changes; as well as, PR guideline updates...including the Help Line Coordinator position and the Web Servant position. Hopefully we'll have these completed by the September ASC. Grateful to be of Service! Gina H. (541)232-2863 cell (541)844-1394 home Ginah91395@comcast.net

**Adhoc Laptop- Hello Ares, The computer purchase ad-hoc committee has not been very active this month. We forgot to call the people that offered to donate to a non-profit wasn't very fruitful. We managed to locate a bunch on Craig's List and I asked my geek-y friends. Some have some they will donate, and I am willing to do more research on this. My suggestion would be to get a new one. I do have processor, speed RAM , HD concerns with a donated laptop. We still need to discuss purchasing software (security, office, backup, etc) and it will not have any kind of warranty. The prices I quoted last month were for middle-of-the-road business models. There are much less expensive computers nan example is the price sheet on the dell inspirion. Also there are other ways to aquire monies for a laptop, rather than a monthly allotment. I would be happy to organize a fundraiser that could generate funds. The ad-hoc committee will be getting together to plan an event if so directed. Amy L.**
