**CHAIRPERSON:  
(Given Verbally)**

**VICE-CHAIR:****No Report****SECRETARY:**

Good morning Area, it appears as though everyone has been receiving their Minutes and are able to open them. As part of being a nonprofit corporation, I am required to keep a record of the full name and address of the attendees of each LCASC. This record will be kept in a secure location, a fire proof safe in my home. The list will only be available to other members in attendance of the same meeting and the State of Oregon, if they would ask to see it. A member had a great idea about sending out the minutes in email form. Andrew G suggested that I send the Minutes out to myself, copying everyone who receives the minutes via email to the bcc line. This would help maintain each others anonymity and cut out the chance of getting spammed by an unsuspecting member with a compromised computer. Thank you for letting me be of service,  
Sean J
